

## WELCOME TO THE BREEZE HILL CARVERY

A great carvery is about more than just tender meats and crisp roasties; it's about thoughtful planning, fresh ingredients, and the highest standards of hygiene and service. At The Breeze Hill, we take pride in offering one of Anglesey's most loved carveries.

Our carvery station showcases an irresistible selection of freshly prepared meats and vegetables, perfectly cooked for flavour.

## HOW IT WORKS

Our wonderful Front-of-House team will take your order at your table and will give you a token to present at the carvery. When you're ready, simply choose your meats and help yourself to our freshly prepared and cooked vegetables.

We respectfully ask that you don't overload your plate as it can cause waste and also, to be honest, it looks awful. You can always return for more!

If some of your group order other dishes from our menu you might wish to delay visiting the carvery until their food arrives but this is for you to decide.

For many reasons, including food safety, we do not allow uneaten food to be taken away.
